**CONTRIBUTIONS OF
MORE THAN \$100**

When an individual gives the campaign more than \$100 in the aggregate, that person's employer must be identified by name, city, state and the person's occupation must also be disclosed. Once an individual gives more than \$100, occupation and employer information will appear on every report showing additional contributions from the individual.

For all candidates – when an individual gives more than \$100 in the aggregate from the beginning of the campaign, show occupation and employer information.

For Single Election Political Committees (e.g., ballot issue committees) – when an individual gives more than \$100 in the aggregate from the beginning of the campaign, show occupation and employer.

For Continuing Political Committees (e.g., party committees & PACs) – when an individual gives more than \$100 in the aggregate from the beginning of the calendar year, show occupation and employer.

**PRIMARY/GENERAL
ELECTION**

Candidates subject to contribution limits must specify in Part 2 of the C-3 form whether a contribution is designated for the primary or the general election. If a contribution is for the primary election, put a "X" in the PRI box; if it counts toward the contributor's general election limit, put an "X" in the GEN box. If one check is used to make both a primary and a general election contribution, use two separate contributor blocks – one each for the primary and general donations. See instruction manual for example.

Candidates not subject to limits, political committees and continuing political committees – primary and general election designations not required; disregard these boxes.

AGGREGATE TOTAL

The total put in the Aggregate Total column for each contributor will depend on who is filing the report. See below.

Candidates subject to contribution limits: Show the total given for each election. If the contributor is giving a primary election contribution, the Aggregate Total figure is the total of that person's primary election contributions. If the GEN box is checked, the Aggregate Total is the contributor's general election total. (Only your campaign records and PDC's computer records will keep track of the grand total for both elections.)

Candidates not subject to limits: Show the total given since the beginning of the campaign.

Political Committees Organized for One Election Only: Show the total given since the beginning of the campaign.

Continuing Political Committees: Show the total given since the beginning of the calendar year.
